ENGLISH

*Before installation, ensure the supporting surface will support the weight of the mirror.

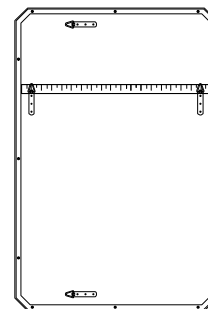

- This mirror can be hung in two different configurations. Refer to plan 1a, or 1b;
- Do not use wire to hang the mirror. For strength and stability, use the hardware mounts and nails included in the package. D-rings are attached to the back of the mirror;
- Wipe clean with a soft dry cloth. Do not use surface cleaners that could damage the finish.

FRANÇAIS

*Avant l'installation, assurez-vous que la surface d'appui supportera le poids du miroir.

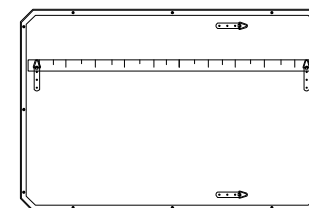

- Ce miroir peut être accroché de deux façons différentes. Reportez-vous au schéma 1a ou 1b ;
- N'utilisez pas de fil de fer pour accrocher le miroir. Pour garantir sa solidité et sa stabilité, utilisez les fixations et les clous fournis dans l'emballage. Des anneaux en D sont fixés à l'arrière du miroir ;
- Nettoyez-le à l'aide d'un chiffon doux et sec. N'utilisez pas de produits nettoyants qui pourraient endommager la finition.
